

Job Title: Journeyman/Woman Carpenter

Location: Calgary

Job Type: Full Time, Permanent

Schedule: Monday - Friday

Expected Start Date: Immediate

Starting Salary: \$30.00/Hourly

WHY KANAS

Kanas Corporation was founded in 1996 with a core focus on building structures with superior building envelopes, durable finishes and low operating costs. Our innovative methods and materials ensure our buildings are comfortably occupied and environmentally sustainable over the long term. This core focus allows Kanas the ability to design, develop and manage affordable rental housing and incorporate a triple bottom line philosophy of social, economic and environmental stewardship to all of our business practices. Kanas has received numerous awards for Built Green and Canadian Home Builders Association, along with other outstanding accomplishments year over year.

As part of the Kanas family, you will be joining a unified team that strives to earn the trust and respect of our customers every day, while also fostering a safe, rewarding work environment that allows our employees to flourish. We offer benefits such as extended health, dental care, disability and life insurance.

We are centrally located - just outside the downtown core, minutes to the Chinook station LRT, and easy access to major highways.

HOW YOU WILL CONTRIBUTE

- Prefabrication, erection, and removal of structural formwork for concrete foundations, wall columns, beams, slabs, and shafts, including re-shoring
- Construct and maintain structural woodwork, shelving, flooring, tables, chairs, etc.
- Assemble and fasten materials to make framework or props, using hand tools and wood screws, nails, dowel pins or glue
- Contribute to and participate in the effective use of the quality-control system. Jobs include a variety of tasks from forming, framing, finishing, back framing, demo, removal, disposal, and various other tasks based on needs of projects
- Build forms for concrete
- Working from blueprints instructions from supervisors does layout-measuring, marking and arranging of various construction materials

HARD & SOFT SKILLS REQUIRED

- Current journeyman carpenter's certificate
- Five or more years of experience in formwork
- Knowledge of carpentry and building maintenance
- Minimum of five years' experience in the Commercial construction industry

- Adequately use power and pneumatic tools, proficient in measuring and cutting
- Knowledge of safety regulations and procedures applicable to the construction industry
- Must be physically able and motivated
- Positive attitude and ability to work independently
- A team player
- Excellent customer service skills
